

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Purchase of Replacement Photocopier from Business Office Systems of Stockton Under Provisions of an Equipment Contract between the County of San Joaquin and Minolta Corporation for the City of Lodi Fire Department In the Amount of \$ 8,944.00

MEETING DATE: May 2, 2001

PREPARED BY: Michael E. Pretz, Fire Chief

RECOMMENDED ACTION: That the City Council adopt the attached resolution authorizing purchase of one Minolta EP5000 photocopier from Business Office Systems, Stockton, under provisions of an equipment contract between the County of San Joaquin and Minolta Corporation, in the amount of \$8,944.00.

BACKGROUND INFORMATION: In July 1998, the County of San Joaquin awarded a contract to the low bidder, Minolta/Business Office Systems, Stockton, to supply the County with three sizes of photocopiers over a three-year period.

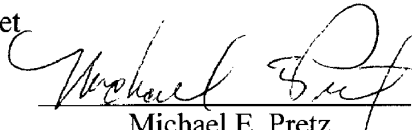

Both the County of San Joaquin and the contractor, Business Office Systems, have agreed to extend contract pricing to other public agencies within the county. Such cooperative agreements allow smaller agencies to enjoy the benefits of volume pricing while avoiding the cost of going through the bid process.

The Lodi City Code Section 3.20.070 provides for the dispensation of bidding "when the City Council determines that the ... method of purchase would be in the best interest of the City." The Minolta EP5000 copier supplied under the county contract features 50-copy per minute operation, plus options such as a 2000-sheet paper source, 20-bin sorter/collator, finisher/stapler, and one year of maintenance coverage (including six months of supplies, free of charge).

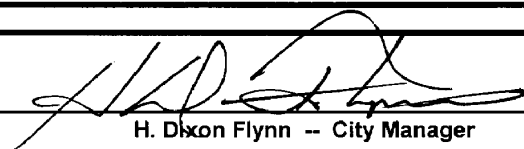

The Fire Department's existing Minolta 4050 copier was purchased in February 1997, and has become prohibitively expensive to maintain. Upon its replacement, it will be removed by Business Office Systems.

It is therefore staff's recommendation that the City Council approve this purchase and method of purchase of one Minolta EP5000 copier from Business Office Systems, Stockton.
